

THE SKINNY - Week Six (Inside Nine)

OBSERVATIONS FROM THE FIRST TEE: (Greg Waldie)

Rusty Meska couldn't wait to hit the links this week, because he had some brand new weapons in his bag. In fact, he was talking big on the practice green about how he was going for the "A" player status on his team. Although he scored three shots below his average, he still has some work to do to get to be the top player on his team. I will keep you posted on whether his investment pays off for him. So far, I don't see David Baker trying to recruit him for his investment expertise!

QUOTE(S) OF THE WEEK:

Speaking of Rusty, here is what he had to say about his tee shot on #2, "I think I might have hit that too straight." You don't hear that often on the golf course, but on #2, it actually makes some sense. Good to hear Rusty made some sense for a change.

Mike Nelson was already fit to be tied as early as #2 Thursday night, so he announced, "I'm about ready to get vulgar." So, Charlie Walker challenged him by saying, "Okay then, nothing namby-pamby then, lay it on us!"

"I got so tired of DeRose hounding me about my \$2, I emailed him a copy of two dollar bills." This was Jeff "Civil Disobedient" Kroupa who always seems to find a way to stand out from the crowd!

When you get a chance, ask Doug Kammann how close his ball was to Shannon's in #1 fairway.

OBSERVATIONS FROM VARIOUS ROVING REPORTERS:

Typically, players write a number above their score on the scorecard that signifies the number of putts they had on that hole. If you look carefully at the bottom line on the scorecard below, the fifth hole would indicate a "B" for Shannon Beebe. I can only assume this stands for "blew it", because the Beebe-Kroupa team could only manage 5 points against Reed-Kammann.

Here is Boy-Burnie proving that he is not scared to test the waters. He assured me his ball was not in the water, but it was just the most direct route to his tee shot. And...the water was warm!
